

4393. Denver & Rio Grande Trains Ascending Soldiers Summit, Utah, over the New Double-track Line

D. & R. G. TRAINS ASCENDING SOLDIERS'  
SUMMIT

This is the highest railroad point on the Wasatch Range. Good pasturage covers the mountain tops, and great herds of cattle, horses and sheep graze here among the sagebrush. The scenery here is wild and picturesque, and the view is wide, embracing a great sweep of serrated mountain summits. Its elevation is 7,454 feet.
