GENERAL INFORMATION

These Time Tables show when trains are scheduled to arrive at and depart from stations, and connect with other trains, but the Company will not be responsible for the consequences of delayed arrivals or departures, nor for damage resulting from strikes, riots, acts of God or of the public enemy. The Company reserves the right to discontinue trains, change schedules, and substitute equipment, and will not be responsible for resulting inconvenience or damage. These schedules are published as public information, and the greatest care is taken to keep them correct, but the Company will not be responsible for errors or omissions, and does not guarantee its published schedules or connections.

Time from 12.01 midnight to 12.00 noon is shown by **LIGHT** faced figures, and time from 12.01 noon to 12.00 midnight by **HEAVY** faced figures.

Buy Tickets before boarding trains and avoid payment of extra charge.

Limits: On one-way tickets (sold at regular fare) destination must be reached within thirty (30) days; on round-trip tickets return journey must be completed within time and date specified on ticket.

Stop-Overs. Generally speaking stop-overs are permitted on most classes of tickets upon application to conductor within final limit.

No single piece of baggage exceeding 300 pounds in weight, or 72 inches in greatest dimension, or single shipment exceeding \$2500 in value, will be checked. Free allowance of 150 pounds on one adult ticket subject to tariff stipulations as to contents, weight, value and size; excess value to be declared and paid for at time of checking.

The following articles are among several which are too fragile or too valuable to be handled in checked

baggage, and for which the railroads cannot, under their tariffs, accept liability in case of loss or damage: China, Glass or Silverware, Clocks or Watches, Firearms (small) and Ammunition, Foodstuffs, Fragile Articles, Fruit (canned or fresh), Household Articles, Jewelry, Liquids of any kind, Money, Perishable Articles, Phonograph Records, Radios, Typewriters (Portable), Valuable Papers (Bonds, etc.), Paper cartons weighing more than 50 pounds.

Bicycles (not motorcycles), **baby carriages**, and **guns** are transported in baggage cars, subject to tariff regulations. **Dogs** in crates or muzzled on leash will also be handled in baggage cars on trains that have baggagemen, subject to tariff regulations. On trains not provided with baggagemen, dogs in crates will be handled only at owner's risk and upon signing release of liability. See reference notes in schedule tables for trains which do not have baggagemen.

Lost Articles—Agents will do all in their power to assist in the recovery of lost articles. **Passengers should not only give full description of the property, but should state date of loss, number of train and whether left in coach, or Pullman car.** Inquire of Manager Baggage Traffic, Chicago, or his Assistant at Omaha, Neb. **No responsibility is assumed for unchecked articles left in stations or cars.**

Air-Conditioned Trains. Air-conditioned equipment has been assigned to regular sections of trains as shown herein. Every effort will be made to provide it as specified, but the right is reserved to employ non-air-conditioned cars as necessitated by volume of traffic or emergencies.

Chicago Railroad Fair

National Exposition of Pageantry and Exhibits
Depicting 100 Years of Railroad Progress

From July 20 to September 6 inc. the nation's railroads present the CHICAGO RAILROAD FAIR, along the shore of Lake Michigan on a part of the former site of Chicago's Century of Progress Exposition.

The central feature is a dramatic pageant, presented several times daily on a huge 450-ft. outdoor stage, illustrating the part played by the railroads in the history and development of our country. Participating is a cast of several hundred fully-costumed actors; railroad equipment, old and new; music; colorful lighting; and all the arts of the drama.

Throughout the grounds many spectacular, educational and diversified exhibits portray the customs and attractions of var-

ious parts of the country. One of the outstanding attractions is the joint Burlington-Great Northern-Northern Pacific exhibit. Occupying one and one-half acres it features a continuous rodeo performance, a functioning replica of Old Faithful Geyser, gigantic caricatures of western animals and characters, and a log chalet containing dioramas portraying the beauties of the Colorado Rockies, Yellowstone and Glacier National Parks, Pacific Northwest and Alaska. Other railroads will also have interesting exhibits.

Another attraction will be an early-day narrow gauge railroad providing transportation within the Fair Grounds. All types of railroad equipment, historical and modern, will be on exhibition.

PARMEELE TRANSFER OF HAND BAGGAGE

Passengers holding through tickets and requiring change of station in Chicago may do away with the problem of taking care of hand baggage between trains. All they need do is present baggage to Parmelee agent in the depot, pay 15c per bag, and Parmelee will arrange transfer to outgoing station, where baggage may be claimed at the parcel check room.

This arrangement applies only when there is at least a 3-hour interval between actual arrival of train in Chicago and scheduled departure time from outbound station.

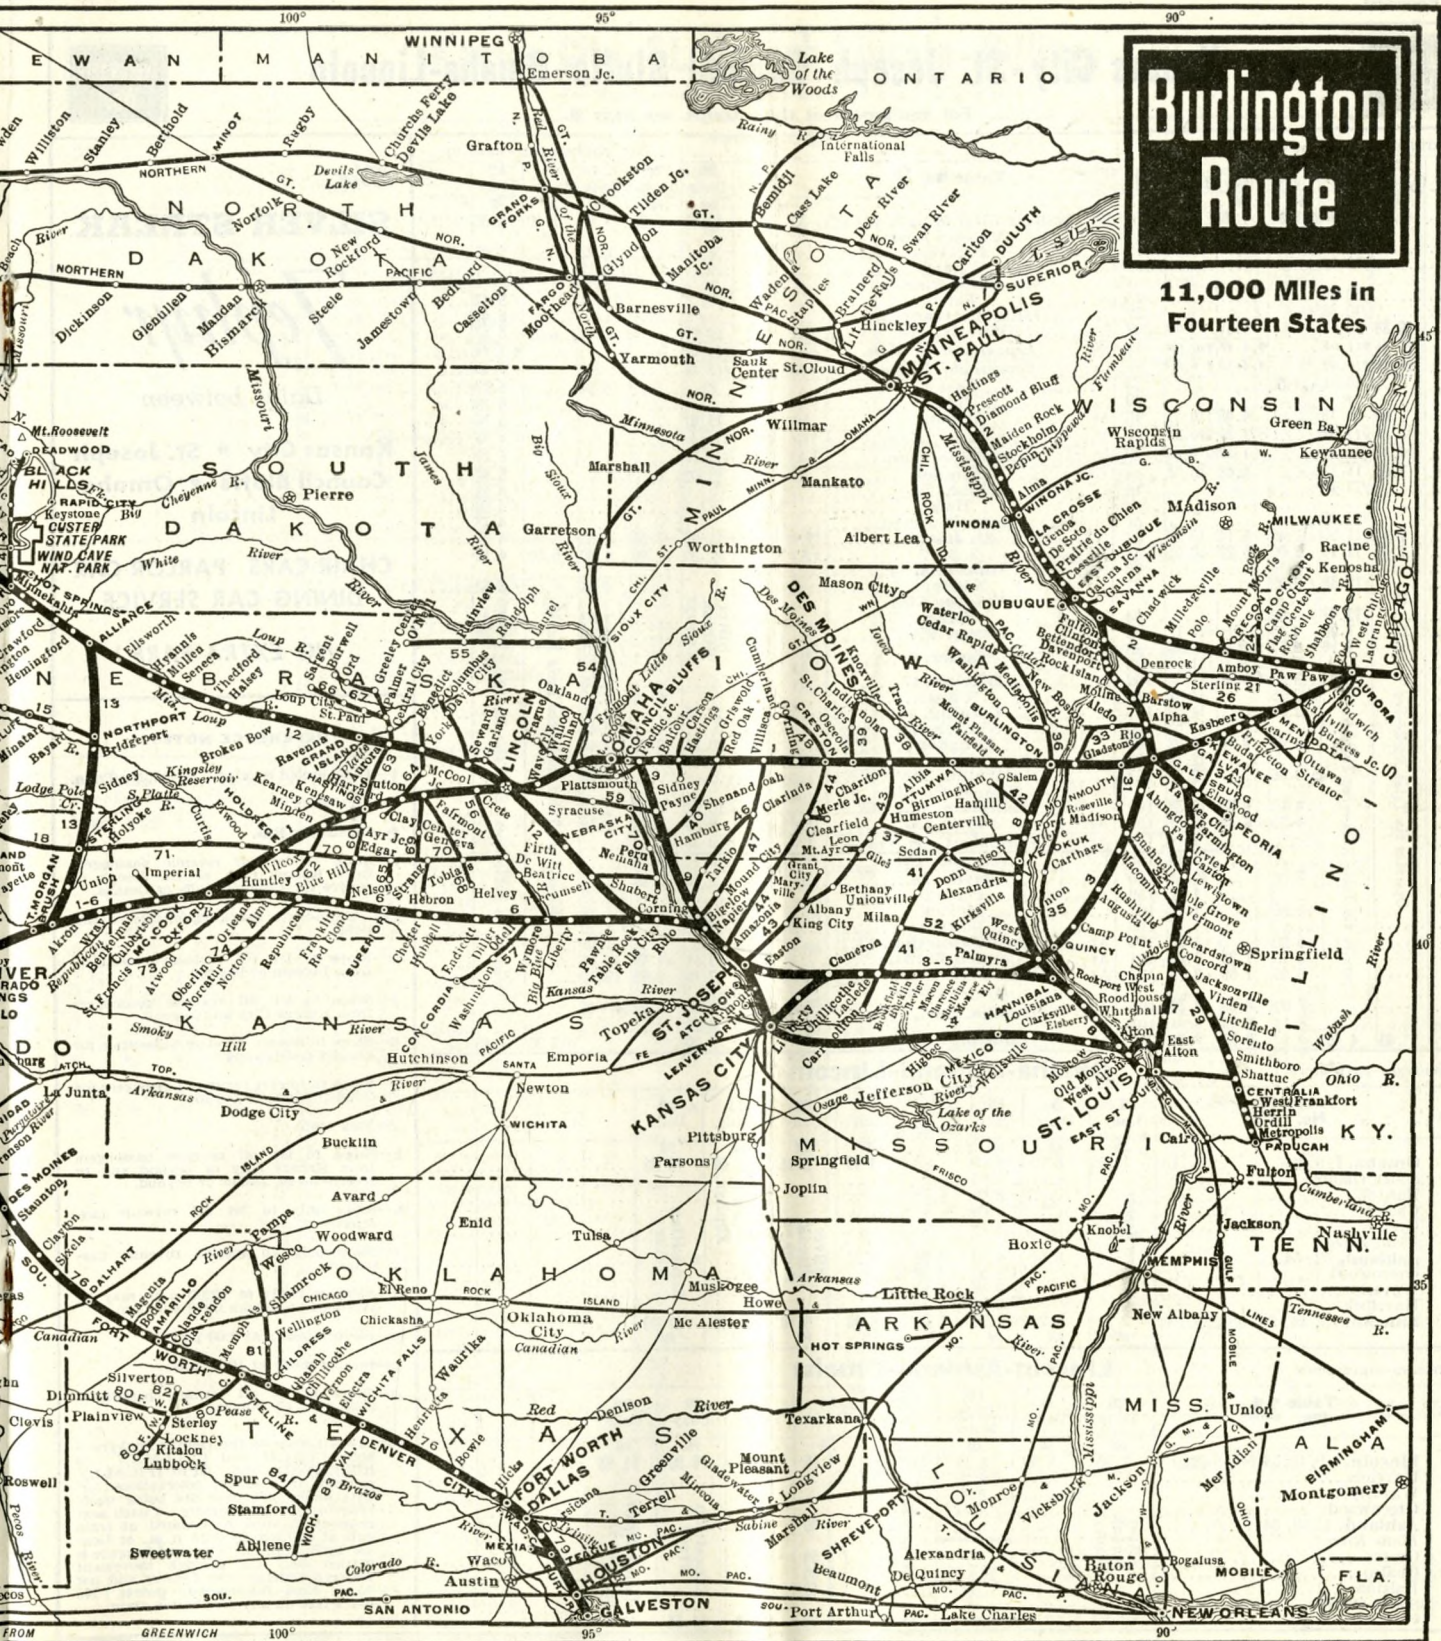

Parmelee transfer coupon may be used to any hotel or destination in the downtown area.

45 Railroads Offer NEW CHARGE-IT SERVICE On One Rail Travel Card

To make rail travel more convenient, the Burlington joins 44 other leading railroads to offer this new Charge-it Plan.

Travelers using this plan carry just one card, issued by the Rail Travel Credit Agency. Ticket offices of all participating railroads will honor these cards for any travel originating on their lines—for rail, parlor or sleeping car tickets, as well as for baggage charges. Any company or individual with proper credit rating can use this plan. No deposit, no service charge.
