The Company reserves the right to discontinue trains, change schedules, and substitute equipment, and will not be responsible for resulting inconvenience or damage. These schedules are published as public information, and great care is taken to keep them correct, but the Company will not be responsible for errors or omissions, and does not guarantee its published schedules or connections.

On trains not provided with baggagemen, dogs in crates will be handled only at owner's risk. See reference notes in schedule tables for trains which do not have baggagemen.

**Lost Articles**—Agents will do all in their power to assist in the recovery of lost articles. **Passengers should not only give full description of the property, but should state date of loss, number of train and whether left in coach, or Pullman car.** Inquire of Manager Baggage Traffic, Chicago, or his Assistant at Omaha, Neb. **No responsibility is assumed** for unchecked articles left in stations or cars.
